## Exchange and requirements for Foundation training year:

Course fee, sliding scale: £2,250 - **£2,450** - £2,650

The £2,450 price is the mid point reference range. If you have capital (e.g. property) and steady income we ask you pay the higher end of the sliding scale which helps us better support those on low income and those with minimal capital security.

**Camping** - bring cash £10 a night

**Food** - booked 4 days before - cash, £10 a lunch (other meals DIY)

*Supervision:* From 2027 we are making it a requirement that all trainees have a 1:1 mentoring relationship with a graduate in place - this is for you to organise independently with the graduate, most of whom have an exchange of around £50 - £70 for mentoring sessions. We ask you to have a minimum of 4 sessions (ideally more) over the year, scheduled to follow course modules. We also need you to confirm that you have access to an appropriate degree of 1:1 therapeutic support commensurate with your needs and that this is accessible and affordable for you should you need this.

## Ways to pay:

- Options:*
- (1) You can pay in one lump sum at any point (this is helpful to us if you can do this)
  - (2) You can follow the schedule below (the different prices are sliding scale)
  - (3) We can organise a bespoke payment arrangement (e.g. standing order spread over the year), however for this we would need an additional signed agreement that you will not to cancel the standing order and honour the entire payment.

We are a small school with no financial buffer. Historically, many small training schools have collapsed due to cash flow issues. For this reason the deposit is only returnable up to 1<sup>st</sup> December 2026. After this all course fees for the year are due and any partial refunds are entirely at our discretion. Generally the only reason we would be able to give a partial refund is if we have reason to believe it may not be safe or appropriate for you to continue the training at some point in which case we would refund you for modules not yet attended.

*Signed agreement:* After we receive the deposit we will send you a document to sign which is an agreement to the principles the school works on and to your commitment to these.
